

Identification & Registering –

Resources

Summary

Personnel have to be identifiable when carrying out their duties. Vehicles and hazardous materials have to be registered and properly licensed with the national relevant authority.

The Code

43. Signatory Companies, to the extent consistent with reasonable security requirements and the safety of civilians, their Personnel and Clients, will:

- a) Require all Personnel to be individually identifiable whenever they are carrying out activities in discharge of their contractual responsibilities;
 - b) Ensure that their vehicles are registered and licensed with the relevant national authorities whenever they are carrying out activities in discharge of their contractual responsibilities; and
 - c) Will ensure that all hazardous materials are registered and licensed with the relevant national authorities.
